

The AFA Honor Flag Program ... An Expression of Patriotism Sign Up Today!

The Seidel Chapter of the Air Force Association invites you to join your friends and neighbors in displaying the American flag on five major holidays: Presidents' Day, Memorial Day, Independence Day, Labor Day, and Veterans Day. The flag program gives Plano residents in the Deerfield, Fountain Creek and Hills of Prestonwood subdivisions an opportunity to show their pride and love for our country. It demonstrates Plano's great patriotic spirit and at the same time, helps so many people in our city and surrounding communities.

This is a service and fundraising project of the Seidel Chapter of the AFA and various Boy Scout troops. The AFA is an independent, nonprofit, civilian education organization promoting public understanding of aerospace power and the pivotal role it plays in the security of the nation. Proceeds from this project enable our chapter to support college scholarships for deserving high school seniors; to support high and junior high teams in a national Cyber Defense competition; to support Civil Air Patrol (CAP) cadets through scholarships for summer encampment flying training; to sponsor nominees for the Christa Macauliffe Teacher of the Year; to sponsor students to attend Youth Leadership Conferences; to support the Boy Scout troops with whom we partner, and other worthwhile programs.

Your participation!

A PVC plastic sleeve is placed in the ground in the median between the sidewalk and the street. On the five designated holidays a 3' X 5' embroidered United States flag, mounted on a 10-foot metal pole, is placed in the sleeve. The flag goes up at the beginning of the holiday weekend and is retrieved at the end. We do all the work for you! [Local Boy Scouts assist AFA members and their organizations earn money as a result.] We display and store the flags. The flags and the sleeves remain the property of the Seidel Chapter, AFA. There are no brackets or fixtures attached to your home, and, when not in use, the sleeve is capped and out of sight.
